

Dream Group Forum/DGF invite you who are beginner or experienced in Montague Ullmans Dream work. This is our new initiative to introduce Dream group work in English. DGF is expanding with English-speaking groups, so your interest, experience, and inspiration are welcomed. In the Nordics, we have many experienced dreamers and leaders and are keen to share our Dream work internationally. Please join one or all 4 of these Dream Groups where we do dream work in English. You will get to meet a variety of Dream group leaders.
